Brad Traversy's

Web Dev Guide

The most complete guide to web development technologies on the planet.

This guide also goes into different programming concepts, careers and even mental health.

GET IT FOR \$9.99

New Course

Freelance Mastery

Brad Traversy and Kyle Prinsloo have teamed up to bring you a business-based course to show you how to create a successful freelancing business from the ground up.

FIND OUT MORE

Who Is Brad Traversy?

I started coding in 2007 at the age of 26. I became a full-time educator & content creator in 2016.

I show people that they don't have to be a straight A student or a genius to learn to code. I break down complex concepts by showing you how to implement them in project-based courses and tutorials.
